I am a person, I often do things. Sometimes I do these things well, sometimes I do these things poorly but I do the things I am meant to do.

Employment

Senior Doer of Things	Things Inc.	January 2020–Present
-----------------------	-------------	----------------------

I did things seniorly. I also helped others do things.

Unimportant Thing

I did the thing but it was unimportant.

The thing got done, no one was impressed.

Technologies: Shovel

Mildly Important Thing

I did the thing that some might say was important.

People told me I did a good job.

Technologies: CNC Machine

Important Thing

I did the thing that every one agreed was important

Everyone was impressed.

Technologies: Chisel, Hammer

Junior Doer of Things	Stuff Inc.	January 2000–January 2020
-----------------------	------------	---------------------------

I got told to do things and I did them.

Stuff

Kinda just did stuff.

Stuff got done.

Technologies: Hands

Education

Paris, France	School of Things	2008–2010
---------------	------------------	-----------

Master's Degree in doing things

Paris, France	School of Things	2005–2008
---------------	------------------	-----------

Bachelor's Degree in doing things

Personal Projects

Thing I did on my own time	Website
----------------------------	-------------------------

I had stuff I needed to do and I did it.

Technologies: Rock
